

REMARKS

The Examiner has rejected Claim 1 under 35 U.S.C. § 112 as lacking antecedent basis for various terms in the claims. The claim has been amended to overcome the rejection. It is believed that Claim 1 is now allowable. Early and favorable action is respectfully requested.

Enclosed please find a Request for Extension of Time along with a check in the amount of \$225.00 for the two month extension fee.

Respectfully submitted,
